TIPS TO PREVENT FOOD WASTE AT HOME

- **Plan ahead:** Before you go to the grocery store or order out, check the fridge and pantry for food items that need to be cooked or that you already have and do not need to purchase.
- **Serve smart:** Aim to cook and serve the right portions for the number of people you are feeding.
- **Store food wisely:** Different foods require different conditions.
- **Check your fridge often:** Keep track of what you have and what needs to be used. Eat or freeze items before you need to throw them away.
- **Use your freezer:** Your freezer can help save food and time.

Bulky Item Pick-Up

Are you replacing an old sofa, water heater or refrigerator and don't know what to do with it? We'll take care of it. Residents can request up to two curbside collections of large or bulky items during a calendar year. Limit of five items per collection. This program also includes electronic waste. This program is at no additional cost and designed for your convenience. Please call our Customer Service Department one week prior to your scheduled collection day to arrange pick-up. This collection does not include concrete, rock, dirt or construction/demolition materials.

Tear off here, save and place on your fridge!

Extra Holiday Waste

Approximately 80% of your holiday trash is recyclable. All gift boxes, wrapping paper, greeting cards, and cardboard packaging are items that may be placed in your recycling barrel. Burrtec will collect your excess holiday trash and recyclables. Beginning the day after Christmas for approximately one week, place excess holiday trash/recyclables in bags alongside your containers on your collection day.

The Holidays are Soon Approaching

Burrtec will collect and recycle Christmas trees from single-family residences. Please place your tree at curbside after Christmas on your collection day. Burrtec will provide this service for approximately two weeks after Christmas Day. Trees six feet and over need to be cut in half. Please take all ornaments, lights, and metal stands off of the tree. Flocked and non-flocked trees will be collected and recycled.

REMINDER: RECYCLE RIGHT!
