Bradbury Is Recycling Their Green Waste!

Green waste decomposes in a landfill releasing a significant amount of greenhouse gas emissions that contribute to public health and safety concerns such as asthma, global climate change, extreme weather, and natural disasters. By recycling green waste, instead of sending it to landfills, we can close the loop on greenhouse gas emissions.

The following are acceptable items:

- ✓ Grass clippings
- ✓ Leaves
- ✓ Prunings
- ✓ Shrub trimmings
- ✓ Small branches
- ✓ Tree trimmings
- ✓ Twigs
- ✓ Weeds

Temporary Containers for Special Clean-Ups Available

Burrtec offers large and small containers for residential clean-ups and special projects. Containers are available for seven-day rentals and include delivery and removal. All unwanted materials can be placed directly into the container with the exception of hazardous waste, tires or large amounts of dirt, rock, concrete or asphalt. Please call our Customer Service Department to order one today!

PROPER DISPOSAL OF HOUSEHOLD HAZARDOUS WASTE

Many households generate hazardous waste that is dangerous or illegal to dispose of in the trash and can also be harmful to the environment. Here is a list of items that are considered hazardous waste and should be disposed of at a HHW location:

- Batteries or car batteries
- Cleaners
- CRTs, old TVs, misc. electronics
- Fluorescent light bulbs
- Mercury thermometers or thermostats
- Motor oil, oil filters, brake fluid
- Paint, paint thinner, turpentine
- Pesticides or herbicides
- Pool chemicals
- Unwanted or expired prescriptions
- Used antifreeze
- Used needles or sharps
(In a Sharps container or sturdy box labeled "SHARPS")

ELECTRONIC WASTE (E-WASTE)

Electronic waste, or E-waste, may include computers, monitors and televisions. Electronic waste may contain potentially toxic substances such as lead, copper, and other heavy metals. This is why they must be disposed of properly! Residents can request up to two curbside collections of large or bulky items within a 12-month period, including electronic waste. Limit of five items per collection. This program is at no additional cost and is designed for your convenience. Please do not place e-waste in any of the barrels.
