#### Christmas Tree Recycling

Burrtec will collect and recycle natural Christmas trees from single-family residences. Please place your tree at the curbside after Christmas Day on your designated collection day. This service will be available from December 26th to January 16th. If your tree is six feet tall or more, please cut it in half. Ensure that all ornaments, lights, and stands are removed from the tree before placing it out for collection.

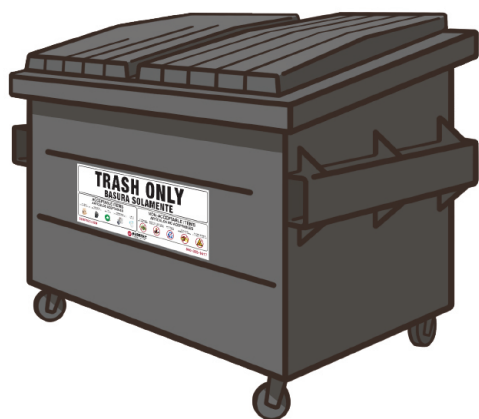

Please note that flocked trees are not recyclable and will be collected as trash. If you have a flocked tree that is six feet tall or more, please also cut it in half to facilitate disposal.

All barrels must be curbside by 6AM on your service day.

#### Temporary Containers for Special Clean-Ups Available

Burrtec offers large and small containers for residential clean-ups and special projects. Containers are available for seven-day rentals and include delivery and removal. All unwanted materials can be placed directly into the container with the exception of hazardous waste, tires or large amounts of dirt, rock, concrete or asphalt. Please call our Customer Service Department to order one today!

#### Bulky Item Pick-Up

Are you replacing an old sofa, water heater or refrigerator and don't know what to do with it? We'll take care of it. Residents can request up to two curbside collections of large or bulky items during a calendar year. Limit of five items per collection. This program also includes electronic waste. This program is at no additional cost and designed for your convenience. Please call our Customer Service Department one week prior to your scheduled collection day to arrange pick-up. This collection does not include concrete, rock, dirt or construction/demolition materials.

#### Holiday Schedule

Please note that services are interrupted on the following holidays:

Memorial Day		Independence Day		Labor Day
Thanksgiving Day		Christmas Day		New Year's Day

When the holiday falls on a weekday, collection will be delayed by one day for the remainder of the week. For more information on service interruption due to a holiday, please contact our Customer Service Department at (800) 325-9417.

# PROPER DISPOSAL OF BATTERIES

Many households generate hazardous waste that is dangerous or illegal to dispose of in the trash and can also be harmful to the environment. Batteries are considered hazardous waste and should be disposed of at a local battery disposal site or at a HHW (Household Hazardous Waste) location. Here is a list of sites where you can safely dispose of your used batteries:

## UBreakiFix

1187 E. Huntington Drive  
Duarte, CA 91010  
626-408-5757

**Accepts:**
