Free Compost Giveaway!

Saturday, June 28, 2025
Corner of Canal St. & Mt. Vernon Ave.
8am - 12pm

Compost Giveaway Details:

- Free to residents, while supply lasts!
- This is a self serve event so please bring sturdy bags, pails, containers, gloves and a shovel to take and load your compost. First come, first serve.

Benefits of Compost:

- Helps retain moisture to reduce watering
- Controls erosion
- Suppresses weed growth
- Provides beneficial nutrients to improve soil

Collection Day Reminder

On collection day, please place your containers in the street, at the curb, or near the corner of your driveway. Handles of your containers should be facing your home. Containers should be placed 1 foot apart from each other. The containers need to be placed at least 3 feet away from any obstruction such as a fence, mailbox, or vehicle.

All containers must be curbside by 6:00 a.m. on your service day.

Did You Know?

Residents may dispose of 2 gallons of used oil at the curbside on their regular service day. Used oil must be placed in a marked plastic container. Residents must call 24 hours in advance to schedule.

Holiday Schedule - No service on these holidays

Memorial Day		Independence Day		Labor Day
Thanksgiving Day		Christmas Day		New Year's Day

When the holiday falls on a weekday, collections for the remainder of the week will be delayed by one day. There is no service interruption or delay when the holiday falls on a Saturday or Sunday.

SENATE BILL 1383

The California Senate passed a bill requiring a **75% reduction in organic waste disposal by 2025**. All residences and commercial businesses are required to **recycle organic waste, including food waste**.

SCAN TO LEARN MORE

Organic waste decomposes in a landfill releasing a significant amount of **greenhouse gas emissions** that contribute to public health and safety concerns such as **asthma, global climate change, extreme weather, and natural disasters**. By **composting organic waste**, instead of sending it to landfills, we can **close the loop** while creating a **nutrient-rich soil amendment** that's ready for use in farms and gardens.

TIPS TO PREVENT FOOD WASTE AT HOME

- **Plan ahead:** Before you go to the grocery store or order out, check the fridge and pantry for food items that need to be cooked or that you already have and do not need to purchase.
- **Serve smart:** Aim to cook and serve the right portions for the number of people you are feeding.
- **Store food wisely:** Different foods require different conditions.
- **Check your fridge often:** Keep track of what you have and what needs to be used. Eat or freeze items before you need to throw them away.
- **Use your freezer:** Your freezer can help save food and time.

Your recycling efforts contribute to the reduction of greenhouse gas emissions from landfilled organic waste. This includes methane, a greenhouse gas 80 times more potent than carbon dioxide.

Tear off here, save and place on your fridge!

REMINDER: RECYCLE RIGHT!

YOUR BARREL GUIDE - WHAT GOES WHERE?

Black Barrel is for trash

DO NOT ADD HAZARDOUS WASTE
