How It Works:

- Open to Highland Residents ONLY (proof of residency will be required).
- This is a SELF SERVE program, therefore participants must provide their own shovels and assistance to load their vehicle.
- Available on a first come first serve basis.
- Wait time could be up to 2 hours.
- A tarp is recommended for open bed truck & trailers.
- City staff reserve the right to end the event at any time due to product availability.

The City of Highland Public Services Division, Burrtec Waste Industries Inc. and Immanuel Baptist are teaming up to host FOUR, ONE DAY compost give-a-ways, so residents can tackle those lawn and garden projects for the Year.

FAQs - Residential Food Waste Recycling Program

Am I required to participate?

Yes. This is a California law that requires all residents, multi-family tenants, and commercial businesses to participate in food waste recycling in order to comply with Senate Bill 1383.

Will plastic bags be supplied?

Customers will be required to use their own bags. Bags do not need to be compostable or biodegradable.

What is the benefit of recycling food waste?

Your recycling efforts contribute to the reduction of greenhouse gas emissions from landfilled organic waste. This includes methane, a greenhouse gas 80 times more potent than carbon dioxide.

I already backyard compost, do I have to participate?

We encourage you to continue backyard composting. Organic items not suitable for backyard compost can be recycled through this program.

Can I use my garbage disposal instead?

No need to change your current garbage disposal use. Food currently being discarded in your trash barrel should now be bagged and placed in your green waste barrel.

What items are acceptable?

Fruits, vegetables, meats, seafood, dairy, eggshells, bread, food scraps, food soiled paper, plate scrapings, and expired food.

What items are not acceptable?

Trash, styrofoam, liquids, glass, plastic, metal, diapers, pet waste, electronic waste, and hazardous waste.
