Holiday Schedule

No service on these holidays

Memorial Day | Independence Day
Labor Day | Thanksgiving Day
Christmas Day | New Year's Day

When the holiday falls on a weekday, collections for the remainder of the week will be delayed by one day. There is no service interruption or delay when the holiday falls on a Saturday or Sunday.

Spring Cleaning Tips

- ✓ Flatten cardboard boxes to create more room in your recycling barrel.
- ✓ Do not bag recyclable items.
- ✓ Utilize your bulky item pick-up services for e-waste and large items that do not fit in your trash barrel.
- ✓ No wipes down the pipes! Do not flush wipes or paper towels.
- ✓ Donate any unwanted items that are still in good condition. Remember that leaving donations outside of a closed center is illegal, and illegally dumped items could ultimately end up in the trash.

Muscoy Earth Day Event

Free document shredding and compost giveaway

Date: Saturday, April 26, 2025 **Time:** 8:00am - 12:00pm or until shred truck is full or compost gone

Where: PAL Charter Academy • 2450 Blake Sreet in San Bernardino

Shred Event Details:

On-Site Shredding: Drive thru with your confidential documents (no need to exit vehicle)

Free confidential on-site document shredding. *Shred event ends at 12:00 p.m. or when truck is full.

What to bring:

- Residents may bring up to 4 boxes (banker box size, 12" x 10" x 16") or 4 bags no larger than 15-gallons per person.
- Please only bring paper that should be shredded (most junk mail does not need to be shredded). Magazines, phone books, catalogs, etc. will not be accepted.
- Walk ups are not allowed. For your safety and to ensure everyone is treated fairly, please drive through the line and do not get out of your car. Staff will unload your materials and take them to the onsite shredder.
- There is no cost to residents for this service.

Two Events in One Day!

Compost Giveaway Details:

- bring your own containers/shovels and load yourself

Benefits of Compost:

- Helps retain moisture to reduce watering
- Controls erosion
- Suppresses weed growth
- Provides beneficial nutrients to improve soil

For more information call the San Bernardino County Solid Waste Management Division at (909) 386-8701

How to Safely Dispose of Sharps at HHW County Facilities

SAN BERNARDINO COUNTY RESIDENTS can safely dispose of their used SHARPS in a 2 gallon or smaller, heavy-duty, plastic container as an alternative to plastic bio-hazard sharps containers at participating Household Hazardous Waste Collection facilities. Containers should only contain needles, lancets, and syringes with a needle attached that must be completely spent (no liquid remaining, including EpiPens).

HOW TO CREATE YOUR OWN CONTAINER:

- Place sharps into an Approved Sharps Container or 2 gallon or smaller heavy-duty plastic container
- Do not use food product containers
- Must have a screw-top and puncture resistant lid
- Made of thick plastic
- 2 gallons or less
- Leak-resistant
- Remain upright when standing
- Place printed Bio-Hazard Label on both sides
- When ¾ filled, secure lid, and tape the container closed

DO NOT USE FOR SHARPS:

Print **FREE** labels by visiting sbcfire.org/hhw Preprinted labels are available at HHW collection facilities

For more information and locations,
call 1-800-Oily Cat (645-9228)
or visit sbcfire.org/hhw

SENATE BILL 1383

The California Senate passed a bill requiring a **75% reduction in organic waste disposal by 2025**.

All residences and commercial businesses will be required to participate in this program to **recycle organic waste, including food waste**.

SCAN TO LEARN MORE

Organic waste that decomposes in a landfill releases a significant amount of **greenhouse gas emissions** that contribute to public health and safety concerns such as **asthma, global climate change, extreme weather, and natural disasters**. By **composting organic waste**, instead of sending it to landfills, we can **close the loop on sustainability** while creating a **nutrient-rich soil amendment** that's ready for use in farms and gardens.

TIPS TO PREVENT FOOD WASTE AT HOME

- **Plan ahead:** Before you go to the grocery store or order out check the fridge and pantry for anything that needs to be cooked or that you already have and do not need to purchase.
- **Serve smart:** Aim to cook and serve the right portions for the number of people you are feeding.
- **Store food wisely:** Different foods require different conditions.
- **Check your fridge often:** Keep track of what you have and what needs to be used. Eat or freeze items before you need to throw them away.
- **Use your freezer:** Your freezer can help save your food and time.

Your recycling efforts contribute to the reduction of greenhouse gas emissions in landfilled organic waste. This includes methane, a greenhouse gas 80 times more potent than carbon dioxide.

Tear off here, save and place on your fridge!

REMINDER: RECYCLE RIGHT!

YOUR BARREL GUIDE - WHAT GOES WHERE?
