### Sustainability Update

The 2022 FOOD WASTE Recycling Program and YOU!

The **California Senate** passed a bill to **improve air quality and reduce greenhouse gas emissions**. CalRecycle reports that landfilled organic waste (including green waste and food waste) decomposes in landfills and generates greenhouse gases contributing to global climate change. Starting in 2022, all California residents may be required to participate in a Food Waste Recycling Program in order to comply with **Senate Bill 1383**.

Senate Bill 1383 requires a **75% reduction in organic waste disposal statewide by 2025**.

SCAN TO LEARN MORE

All residences and commercial businesses may be required to participate in this program to **recycle organic waste, including green waste and food waste**.

**Stay tuned for more information about when these new programs will start in your neighborhood.**

#### What Can You Do Right Now to Help Reduce Greenhouse Gas Emissions?

Tips and tricks to help prevent creating green waste and food waste:

- Grasscycling- learn more at [CalRecycle.ca.gov/Organics/GrassCycling](http://CalRecycle.ca.gov/Organics/GrassCycling)
- Food Waste prevention tips- learn more at [savethefood.com](http://savethefood.com)

Additional steps you can take to manage your green waste and food waste:

- Taking green waste and food waste to nearby community composting sites
- At-home composting. Did you know that the San Bernardino County Solid Waste Management Division (SWMD) sells backyard compost bins at a reduced rate to unincorporated County residents? Contact the SWMD Main line at (909) 386-8701 for more information.

### Appliance Bulky Item Pick Up IMPORTANT INFORMATION

The proper way to dispose of refrigerators and certain appliances involves either taping the door shut or completely removing the door or the latching mechanism before placing the bulky item out for pick up.

**Before disposing of large appliances, tape doors or remove doors and/or hinges on all large appliances to prevent entrance and entrapment by small children.**

### Holiday Schedule

Please note that services are interrupted on the following holidays:

Memorial Day		Independence Day		Labor Day
Thanksgiving Day		Christmas Day*		New Year's Day*

**\*Due to the 2022 Christmas and 2023 New Year's Day holidays on Sunday, there will be no service interruptions or delays during the holiday weeks.**

When the holiday falls on a weekday, collections for the remainder of the week will be delayed by one day. There is no service interruption or delay when the holiday falls on a Saturday or Sunday.

### Did You Know?

**U.S. food waste is estimated to be 30-40% of the food supply and Californians throw away approximately 6 million tons of food waste annually.**

Crestline, CA 92325

**5 GREEN VALLEY LAKE BLVD/ RIDGE WAY**  
Green Valley Lake, CA 92341

**6 MOUNTAIN DISPOSAL OFFICE**  
988 Waterman Canyon Road  
Crestline, CA 92325

## Clean Mountain Sites Operating Guidelines

- All residential household trash brought to the site must be in a 32-gallon trash container. Limit of 5 cans per property, per day.
- Green waste must be in a 32-gallon trash container or bagged.
- Tree branches and limbs brought to the site cannot exceed 4-feet in length and must be tied in bundles no bigger than 2-feet in diameter.
- One truck level full (approximately 10-12 bags) of pine needles per day is accepted as long as it's contained.
- You may bring **two** bulky items per day; this includes E-Waste.
- **No trailer loads or loose materials will be taken. These items can be hauled off to Heaps Peak Transfer Station located at 28638 Rim of the World Hwy. Running Springs, CA 92382.**
- **Household Hazardous Waste (HHW) is not accepted. HHW consists of items such as paint, motor oil, paint thinner, turpentine, pesticides and herbicides. For information regarding the disposal of HHW, call 1-800-OILY CAT**
- **No construction material or tires are accepted at any of the sites.**
