#### Spring Cleaning Tips

- ✓ Flatten cardboard boxes to create more room in your recycling barrel.
- ✓ Do not bag recyclable items.
- ✓ Utilize your bulky item pick-up services for e-waste and large items that do not fit in your trash barrel.
- ✓ No wipes down the pipes! Do not flush wipes or paper towels.
- ✓ Donate any unwanted items that are still in good condition. Remember that leaving donations outside of a closed center is illegal, and illegally dumped items could ultimately end up in the trash.

#### How to Safely Dispose of Sharps at HHW County Facilities

SAN BERNARDINO COUNTY RESIDENTS can safely dispose of their used SHARPS in a 2 gallon or smaller, heavy-duty, plastic container as an alternative to plastic bio-hazard sharps containers at participating Household Hazardous Waste Collection facilities. Containers should only contain needles, lancets, and syringes with a needle attached that must be completely spent (no liquid remaining, including EpiPens).

##### HOW TO CREATE YOUR OWN CONTAINER:

- Place sharps into an Approved Sharps Container or 2 gallon or smaller heavy-duty plastic container
- Do not use food product containers
- Must have a screw-top and puncture resistant lid
- Made of thick plastic
- 2 gallons or less
- Leak-resistant
- Remain upright when standing
- Place printed Bio-Hazard Label on both sides
- When  $\frac{3}{4}$  filled, secure lid, and tape the container closed

##### DO NOT USE FOR SHARPS:

Print **FREE** labels by visiting [sbcfire.org/hhw](http://sbcfire.org/hhw) Preprinted labels are available at HHW collection facilities

For more information and locations, call 1-800-Oily Cat (645-9228) or visit [sbcfire.org/hhw](http://sbcfire.org/hhw)
