Spring Cleaning Tips

1. Before dropping off donations call to check business hours and ask if they are able to accept all of the items you have. Be sure to drop off items during business hours. It is illegal to leave donations outside of a closed center, and illegally dumped items could ultimately end up in the trash.
2. Flatten cardboard boxes to create more room in your recycling cart.
3. Utilize your bulky item pick-up services with Burrtec for ewaste and large items that do not fit in your trash cart. Please contact Burrtec customer service for more details.
4. Do not bag recyclables that you are placing in your recycling cart.
5. No wipes down the pipes! Do not flush wipes or paper towels.

Excess seasonal green waste can be bundled and placed beside your green waste container for pick-up up to two times per year. Tie your prunings into bundles no larger than 18 inches in diameter and 4 feet long and they'll be hauled away at no additional cost. Remember your green waste container is for grass clippings, brush, prunings, leaves, twigs, weeds and branches smaller than 6 inches in diameter. Green waste is composted or recycled and is part of reducing the waste stream. If you consistently have more green waste than can be stored in your container, call Burrtec Waste Industries at (909) 987-3717.
