For more information please call Burrtec at (951) 786-0639.

DO YOU HAVE... THE RIGHT STUFF?

Residents who recycle correctly help keep rates lower for everyone and lower the amount of trash going to the landfill! You can help by taking the Recycling Challenge!!!

Win \$100 if you recycle the right stuff!

Burrtec will award two participating residents with a **\$100** prize if they are selected and keep their recycling, trash, and organics in the right barrel.

How To Participate:

- Fill out entry form and send it to Burrtec
- Keep trash and organics out of your recycling barrel
- Keep recycling and trash out of the organics barrel
- Keep recycling and organics out of your trash barrel
- Entries will be selected at random - one per month (October and November 2026)

Please send your completed form to Burrtec using one of the options below:

Mail: 1850 Agua Mansa Road, Jurupa Valley, CA 92509 | **Email:** rivmail@burrtec.com

Winners will be recognized at a City Council meeting.

Photograph(s) and/or digital image(s) may be used in news releases and/or educational materials.

The Holidays are Soon Approaching

Burrtec will collect and recycle Christmas trees from single-family residences. Please place your tree at curbside after Christmas on your collection day. Burrtec will provide this service for approximately 2 weeks after Christmas Day. Trees 6' and over need to be cut in half. Please take all ornaments, lights, and metal stands off of the tree. Flocked and Non-Flocked trees will be collected and recycled.

Extra Holiday Waste

Approximately 80% of your holiday trash is recyclable. Gift boxes, wrapping paper, greeting cards, and cardboard packaging may all be placed in your recycling barrel. Burrtec will collect your excess holiday trash and recyclables for approximately 1 week following the day after Christmas. You may place excess holiday trash/recyclables in bags alongside your containers on your scheduled collection day.

TIPS TO PREVENT FOOD WASTE AT HOME

- **Plan ahead:** Before you go to the grocery store or order out, check the fridge and pantry for food items that need to be cooked or that you already have and do not need to purchase.
- **Serve smart:** Aim to cook and serve the right portions for the number of people you are feeding.
- **Store food wisely:** Different foods require different conditions.
- **Check your fridge often:** Keep track of what you have and what needs to be used. Eat or freeze items before you need to throw them away.
- **Use your freezer:** Your freezer can help save food and time.

Your recycling efforts contribute to the reduction of greenhouse gas emissions from landfilled organic waste. This includes methane, a greenhouse gas 80 times more potent than carbon dioxide.

Tear off here, save and place on your fridge!

REMINDER: RECYCLE RIGHT!
