The Holidays are Soon Approaching

Burrtec will collect and recycle Christmas trees from single-family residences. Please place your tree at curbside after Christmas on your collection day. Burrtec will provide this service for approximately 3 weeks after Christmas Day. Trees 6' and over need to be cut in half. Please take all ornaments, lights, and metal stands off of the tree. Flocked and Non-Flocked trees will be collected and recycled.

Holiday Schedule

No service on these holidays

Memorial Day | Independence Day

Labor Day | Thanksgiving Day

Christmas Day | New Year's Day

When the holiday falls on a weekday, collections for the remainder of the week will be delayed by one day. There is no service interruption or delay when the holiday falls on a Saturday or Sunday.

Extra Holiday Waste

Approximately 80% of your holiday trash is recyclable. All gift boxes, wrapping paper, greeting cards, and cardboard packaging are items that may be placed in your recycling barrel. Burrtec will collect your excess holiday trash and recyclables. Beginning the day after Christmas for approximately 1 week, place excess holiday trash/recyclables in bags alongside your containers on your collection day.

Tear off here, save and place on your fridge!

How to Safely Dispose of Sharps at HHW County Facilities

SAN BERNARDINO COUNTY RESIDENTS can safely dispose of their used SHARPS in a 2 gallon or smaller, heavy-duty, plastic container as an alternative to plastic bio-hazard sharps containers at participating Household Hazardous Waste Collection facilities. Containers should only contain needles, lancets, and syringes with a needle attached that must be completely spent (no liquid remaining, including EpiPens).

HOW TO CREATE YOUR OWN CONTAINER:

- Place sharps into an Approved Sharps Container or 2 gallon or smaller heavy-duty plastic container
- Do not use food product containers
- Must have a screw-top and puncture resistant lid
- Made of thick plastic
- 2 gallons or less
- Leak-resistant
- Remain upright when standing
- Place printed Bio-Hazard Label on both sides
- When $\frac{3}{4}$ filled, secure lid, and tape the container closed

DO NOT USE FOR SHARPS:

Print **FREE** labels by visiting sbcfire.org/hhw Preprinted labels are available at HHW collection facilities

For more information and locations, call 1-800-Oily Cat (645-9228) or visit sbcfire.org/hhw

SAN BERNARDINO COUNTY STORMWATER PROGRAM
WHERE WATER MEETS COMMUNITY

Thanks for being a responsible pet owner and contributing to a beautiful San Bernardino County.

Temporary Containers for Special Clean-Ups Available

Burrtec offers large and small containers for residential clean-ups and special projects. Containers are available for 7-day rentals and include delivery and removal. All unwanted materials can be placed directly into the container with the exception of hazardous waste, tires or large amounts of dirt, rock, concrete, or asphalt. Please call our Customer Service Department to order one today!

Bulky Item Pick-Up

Are you replacing an old sofa, water heater or refrigerator and don't know what to do with it? We'll take care of it. Residents can request up to two curbside collections of large or bulky items during a calendar year. Limit of five items per collection. This program also includes electronic waste. This program is at no additional cost and designed for your convenience. Please call our Customer Service Department one week prior to your scheduled collection day to arrange pick-up. This collection does not include concrete, rock, dirt or construction/ demolition materials.

Electronic Waste (E-waste)

Electronic waste, or E-waste, may include computers, monitors and televisions. Electronic waste may contain potentially toxic substances such as lead, copper, and other heavy metals. This is why they must be disposed of properly! Residents may place E-waste items out as bulky items for pickup. Please do not place E-waste in any of the barrels.

Please call our Customer Service Department one week prior to your scheduled collection day to arrange pick-up.

Living with Wildlife Tips

You can help keep your neighborhood clean by doing the following:

- Avoid placing trash out on windy days.
- Put trash cans out the morning of collection day.
- Store trash in the garage if possible.
- Do not leave pet food or water outside.
- Trim ground-level shrubbery to reduce hiding places.
- Pick-up fallen fruit from the ground.
- Be sure to place your trash into a large trash bag and tie it closed before placing in the barrel. This will make clean-up efforts easier should the barrels tip over.
- A variety of products are available to prevent wildlife access to human food sources, please visit www.wildlife.ca.gov/Keep-Me-Wild/Products to learn more.
