Top 5 Items to Keep **OUT** of Your Recycling Cart

Here are the 5 top items that should never be placed in your recycling cart:

1. **No Garden Hoses.** Despite being made from rubber, vinyl or a combination of both, this item still belongs in the garbage container.
2. **No Diapers.** Diapers should be placed in your garbage container.
3. **No Hazardous Waste.** This means no paint, motor oil, batteries, syringes, needles, etc. Hazardous Waste puts our trucks and facility at risk and should not be placed in your garbage cart either. Visit <https://sbcfire.org/collectionfacilities> to locate your nearest hazardous waste collection center.
4. **No Pet Food Bags.** The wax coating prevents the bags from breaking down in the recycling process, so pet food bags go into the garbage container.
5. **No Electronic Waste.** These items are best recycled through bulky item drop-off or a collection event.

Earth Day Everyday!

We can make Earth Day everyday through small changes that have a big impact. Make sure you are recycling correctly. Keep the Recycling List on your refrigerator for reference. Use reusable bags, instead of single use. Donate used clothes, home goods and small appliances to thrift stores or other charitable organizations that can reuse them. Start a backyard composting pile; this is an inexpensive way to make your own soil amendments for gardening and cuts down on the amount of food waste that goes into your trash barrel. Celebrate Earth by making a commitment to reduce waste, reuse materials and recycle all that can be recycled.

Collection Day Reminder

On collection day, please place your containers in the street, at the curb, or near the corner of your driveway. Handles of your containers should be facing your home. Containers should be placed 1 foot apart from each other and need to be placed at least 3 feet away from any obstruction such as a fence, mailbox, or vehicle.

All containers must be curbside by 6:00 a.m. on your service day.

Bulky Item Pick-Up

Are you replacing an old sofa, water heater or refrigerator and don't know what to do with it? We'll take care of it. Residents can request up to two curbside collections of large or bulky items during a calendar year. Limit of five items per collection. This program also includes electronic waste. This program is at no additional cost and designed for your convenience. Please call our Customer Service Department one week prior to your scheduled collection day to arrange pick-up. This collection does not include concrete, rock, dirt or construction/ demolition materials.

Spring Cleaning Tips

- ✓ Flatten cardboard boxes to create more room in your recycling barrel.
- ✓ Do not bag recyclable items.
- ✓ Utilize your bulky item pick-up services for e-waste and large items that do not fit in your trash barrel.
- ✓ No wipes down the pipes! Do not flush wipes or paper towels.
- ✓ Donate any unwanted items that are still in good condition. Remember that leaving donations outside of a closed center is illegal, and illegally dumped items could ultimately end up in the trash.
