Holiday Schedule

No service on these holidays

Memorial Day | Independence Day

Labor Day | Thanksgiving Day

Christmas Day | New Year's Day

When the holiday falls on a weekday, collections for the remainder of the week will be delayed by one day. There is no service interruption or delay when the holiday falls on a Saturday or Sunday.

Tear off here, save and place on your fridge!

Sponsored by Burrtec Waste Industries for San Bernardino County Residents

SENATE BILL 1383

The California Senate passed a bill requiring a **75% reduction in organic waste disposal by 2025**. All residences and commercial businesses are required to **recycle organic waste**.

Organic waste decomposes in a landfill releasing a significant amount of **greenhouse gas emissions** that, according to CalRecycle, contribute to public health and safety concerns such as **asthma, global climate change, extreme weather, and natural disasters**. By **composting organic waste**, instead of sending it to landfills, we can **close the loop** while creating a **nutrient-rich soil amendment** that's ready for use in farms and gardens.

TIPS TO PREVENT FOOD WASTE AT HOME

- **Plan ahead:** Before you go to the grocery store or order out, check the fridge and pantry for food items that need to be cooked or that you already have and do not need to purchase.
- **Serve smart:** Aim to cook and serve the right portions for the number of people you are feeding.
- **Store food wisely:** Different foods require different conditions.
- **Check your fridge often:** Keep track of what you have and what needs to be used. Eat or freeze items before you need to throw them away.
- **Use your freezer:** Your freezer can help save food and time.

Your recycling efforts contribute to the reduction of greenhouse gas emissions from landfilled organic waste. This includes methane, a greenhouse gas 80 times more potent than carbon dioxide.

YOUR BARREL GUIDE - WHAT GOES WHERE?

Black Barrel is for trash

DO NOT ADD HAZARDOUS WASTE

BLACK BARREL GUIDE

YES

- ✓ Cactus
- ✓ Clothing
- ✓ Diapers
- ✓ Dishware

*For more information on the safe disposal/recycling of this material please call the SWMD office at (909) 386-8701

Living with Wildlife Tips

You can help keep your neighborhood clean by doing the following:

- Avoid placing trash out on windy days.
- Put trash cans out the morning of collection day.
- Store trash in the garage if possible.
- Do not leave pet food or water outside.
- Trim ground-level shrubbery to reduce hiding places.
- Pick-up fallen fruit from the ground.
- Be sure to place your trash into a large trash bag and tie it closed before placing in the barrel. This will make clean-up efforts easier should the barrels tip over.
- A variety of products are available to prevent wildlife access to human food sources, please visit www.wildlife.ca.gov/Keep-Me-Wild/Products to learn more.

SAFELY DISPOSE OF YOUR HOUSEHOLD HAZARDOUS WASTE

PROTECT YOUR FAMILY BY GETTING RID OF YOUR HAZARDOUS HOUSEHOLD PRODUCTS AT YOUR CLOSEST
HOUSEHOLD HAZARDOUS WASTE COLLECTION CENTER

ACCEPTABLE MATERIALS

AUTOMOTIVE FLUIDS

AND WAXES**

You can bring 15 gallons or 125 pounds in containers no larger than 5 gallons per visit.

IT'S AS EASY AS 1-2-3!

1. **Keep** products in original containers or properly labeled with a sealed lid.
2. **Secure** products so they won't spill or leak during transport.
3. **Take** them to your nearest collection center. Visit <https://sbccfire.org/collectionfacilities> for HHW site locations.

*Material acceptance varies based on location

Visit tootoxictotrash.com for more information, schedule changes and holiday hours. Residential waste only.

*Must be a San Bernardino County resident.
