Collection Day Reminder

On collection day, please place your containers in the street, at the curb, or near the corner of your driveway. Handles of your containers should be facing your home. Containers should be placed 1 foot apart from each other and need to be placed at least 3 feet away from any obstruction such as a fence, mailbox, or vehicle.

All containers must be curbside by 6:00 a.m. on your service day.

KEEP THE GREEN CLEAN!

Remember, your green container should only have loose green waste.

Windy Day Advisory

Weather conditions cause problems with the collection of trash and recyclables. Containers frequently tip over, causing spillage and materials to get strewn throughout streets and neighborhoods. In an effort to assist in the prevention of these situations, the following are suggestions:

- Bag and tie trash and/or recyclables before placing in barrels – This will make clean-up efforts easier should the barrels blow over.
- Avoid placing trash and/or recycling out on windy days – If possible, do not set your trash or recyclables out for collection on windy days. Bag any excessive trash and recyclables that will not fit in your barrel and Burrtec will collect all accumulated bags along with your containers on your next scheduled collection day.

Thank you for your assistance in keeping your neighborhoods clean.

Holiday Tree Collection

Burrtec will pick up and recycle your Christmas tree. Please place it at the curb on your regular collection day, starting after Christmas. This service will be available for about three weeks following the holiday.

- ✓ Make sure your tree stand is removed, as well as all lights, ornaments, tinsel and other decorations.
- ✓ Do not place them inside or on top of any barrel.
- ✓ Do not block sidewalks, driveways, cars or mailboxes.
- ✓ Please cut large trees (over 6 feet) in half.
- ✓ Artificial trees are not accepted.
- ✓ We will accept trees with flocking decoration.

Extra Holiday Waste

Approximately 80% of your holiday trash is recyclable. All gift boxes, wrapping paper, greeting cards, and cardboard packaging are items that may be placed in your recycling barrel. Burrtec will collect your excess holiday trash and recyclables. Beginning the day after Christmas for approximately 1 week, place excess holiday trash/recyclables in bags alongside your containers on your collection day.

Got Cooking Oil? Recycle It!

Recycle your leftover liquid cooking oil to avoid the hassle of dealing with clogged pipes and other sewer problems.

- Step 1** - Cool oil to a safe temperature & filter to remove food particles.
Step 2 - Pour oil into jar or plastic container with a tight fitting lid.
Step 3 - Take oil to your nearest toxic waste collection center.

**No business waste accepted. Must be a San Bernardino County resident.*

Electronic Waste (E-waste)

Electronic waste may contain potentially toxic substances such as lead, copper, and other heavy metals. This is why they must be disposed of properly! Electronic waste, or E-waste, may include computers, monitors and televisions. Residents may place E-waste items out as bulky items for pickup. Please do not place E-waste in any of the barrels.

Please call our Customer Service Department one week prior to your scheduled collection day to arrange pick-up.

FREE CHRISTMAS TREE MULCH

Available mid-January to mid-February or while supplies last.

Burrtec's Material Recovery Facilities (MRF) offer Christmas tree mulch at NO ADDITIONAL CHARGE. The Christmas tree mulch is provided on a first come, first serve basis. Mulch is available while supplies last. New stock is replenished daily. Other landscape products such as compost, mulch and wood chips are also available for purchase.
