Spring Cleaning Tips

- ✓ Flatten cardboard boxes to create more room in your recycling barrel.
- ✓ Do not bag recyclable items.
- ✓ Utilize your bulky item pick-up services for e-waste and large items that do not fit in your trash barrel.
- ✓ No wipes down the pipes! Do not flush wipes or paper towels.
- ✓ Donate any unwanted items that are still in good condition. Remember that leaving donations outside of a closed center is illegal, and illegally dumped items could ultimately end up in the trash.

Sustainability Update

The California Senate passed a bill to **improve air quality and reduce greenhouse gas emissions**. CalRecycle reports that landfilled organic waste (including green waste and food waste) decomposes in landfills and generates greenhouse gases contributing to global climate change. Residences and commercial businesses in your area are within a census tract that has been granted a Senate Bill 1383 elevation waiver and therefore do not need to separate out food waste from trash. You will be required to continue separating your recyclables from your trash and also begin source separating your green waste in order to comply with Senate Bill 1383.

Senate Bill 1383 requires a **75% reduction in organic waste disposal statewide by 2025**.

All residences and commercial businesses may be required to participate in this program to **recycle organic waste, including green waste**.

What Can You Do to Help Reduce Greenhouse Gas Emissions?

Tips and tricks to help prevent creating green waste and food waste:

- Grasscycling- learn more at CalRecycle.ca.gov/Organics/GrassCycling
- Food Waste prevention tips- learn more at savethefood.com

Additional steps you can take to manage your green waste and food waste:

- Taking green waste and food waste to nearby community composting sites
- At-home composting. Did you know that the San Bernardino County Solid Waste Management Division (SWMD) sells backyard compost bins at their office in San Bernardino at a reduced rate to unincorporated County residents? Contact the SWMD Main line at (909) 386-8701 for more information.
