All sites require your most current trash bill for proof of service. For more information, please call our Customer Service Department.

Landscapers and third-party haulers are NOT allowed to use the drop off locations for any material types.

You can also contact our Customer Service Department to have your green waste picked up for a fee.

Temporary Containers for Special Clean-Ups Available

Burrtec offers large and small containers for residential clean-ups and special projects. Containers are available for seven-day rentals and include delivery and removal. All unwanted materials can be placed directly into the container with the exception of hazardous waste, tires or large amounts of dirt, rock, concrete or asphalt. Please call our Customer Service Department to order one today!

Hot Ashes and Charcoal Disposal

One common cause for fires in trucks and containers is hot coals and ashes. Coals can appear to be cool and actually remain hot for days after use. Please allow 48 to 72 hours for charcoal and ashes to cool down before disposing of them in the trash container.

REMINDER: RECYCLE RIGHT!
