The Holidays are Soon Approaching

Burrtec will collect and recycle Christmas trees from single-family residences. Please place your tree at curbside after Christmas on your collection day. Burrtec will provide this service for approximately 3 weeks after Christmas Day. Trees 6' and over need to be cut in half. Please take all ornaments, lights, and metal stands off of the tree. Flocked and Non-Flocked trees will be collected and recycled.

Extra Holiday Waste

Approximately 80% of your holiday trash is recyclable. All gift boxes, wrapping paper, greeting cards, and cardboard packaging are items that may be placed in your recycling barrel. Burrtec will collect your excess holiday trash and recyclables. Beginning the day after Christmas for approximately 1 week, place excess holiday trash/recyclables in bags alongside your containers on your collection day.

How to Safely Dispose of Sharps at HHW County Facilities

SAN BERNARDINO COUNTY RESIDENTS can safely dispose of their used SHARPS in a 2 gallon or smaller, heavy-duty, plastic container as an alternative to plastic bio-hazard sharps containers at participating Household Hazardous Waste Collection facilities. Containers should only contain needles, lancets, and syringes with a needle attached that must be completely spent (no liquid remaining, including EpiPens).

HOW TO CREATE YOUR OWN CONTAINER:

- Place sharps into an Approved Sharps Container or 2 gallon or smaller heavy-duty plastic container
- Do not use food product containers
- Must have a screw-top and puncture resistant lid
- Made of thick plastic
- 2 gallons or less
- Leak-resistant
- Remain upright when standing
- Place printed Bio-Hazard Label on both sides
- When $\frac{3}{4}$ filled, secure lid, and tape the container closed

DO NOT USE FOR SHARPS:

Print FREE labels by visiting sbcfire.org/hhw Preprinted labels are available at HHW collection facilities

For more information and locations, call 1-800-Oily Cat (645-9228) or visit sbcfire.org/hhw
