Food Waste Recycling May Be Coming to Your Neighborhood Soon...

California passed a law requiring organics recycling in an effort to improve air quality and reduce greenhouse gas emissions. The State reports that organic waste (including food waste) that is placed in trash containers, collected and landfilled, decomposes in landfills and generates greenhouse gases contributing to global climate change.

In order to comply with this new law, the County has implemented a mandatory residential organic waste recycling collection program, that will require residents to separate and bag their food waste, then place it in their existing green waste container or in a new container that will be provided. Residents will no longer be allowed to place food waste or other types of organic waste in their trash barrels for collection.

Residents living within the San Bernardino County Unincorporated areas may be required to participate in this program.

Additional information will follow, including program start dates and participating areas.

Earth Day Everyday!

We can make Earth Day everyday through small changes that have a big impact. Make sure you are recycling correctly. Keep the Recycling List on your refrigerator for reference. Use reusable bags, instead of single use. Donate used clothes, home goods and small appliances to thrift stores or other charitable organizations that can reuse them. Start a backyard composting pile; this is an inexpensive way to make your own soil amendments for gardening and cuts down on the amount of food waste that goes into your trash barrel. Celebrate Earth by making a commitment to reduce waste, reuse materials and recycle all that can be recycled.

Holiday Schedule - No service on these holidays

Memorial Day | Independence Day | Labor Day
Thanksgiving Day | Christmas Day | New Year's Day

When the holiday falls on a weekday, collections for the remainder of the week will be delayed by one day. There is no service interruption or delay when the holiday falls on a Saturday or Sunday.

Did You Know?

U.S. food waste is estimated to be 30-40% of the food supply and Californians throw away approximately 6 million tons of food waste annually.

Spring Cleaning Tips

- ✓ Flatten cardboard boxes to create more room in your recycling barrel.
- ✓ Do not bag recyclable items.
- ✓ Utilize your bulky item pick-up services for e-waste and large items that do not fit in your trash barrel.
- ✓ No wipes down the pipes! Do not flush wipes or paper towels.
- ✓ Donate any unwanted items that are still in good condition. Remember that leaving donations outside of a closed center is illegal.

Recycle Right!

Place these types of materials in your recycling container.

- ✓ Aerosol cans (completely empty)
- ✓ Aluminum cans
- ✓ Brochures
- ✓ Cardboard
- ✓ Cartons
- ✓ Cereal boxes
(no wax paper lining)
- ✓ Coupons
- ✓ Envelopes
- ✓ Glass bottles & jars
- ✓ Junk mail
- ✓ Magazines/catalogs
- ✓ Newspaper
- ✓ Paper
- ✓ Paper tubes
- ✓ Phone books
- ✓ Plastic containers
- ✓ Plastic milk jugs
- ✓ Styrofoam products
- ✓ Tissue boxes
- ✓ Wrapping paper

Bulky Item Pick-Up

Are you replacing an old sofa, water heater or refrigerator and don't know what to do with it? We'll take care of it. Residents can request up to two curbside collections of large or bulky items during a calendar year. Limit of five items per collection. This program also includes electronic waste. This program is at no additional cost and designed for your convenience. Please call our Customer Service Department one week prior to your scheduled collection day to arrange pick-up. This collection does not include concrete, rock, dirt or construction/ demolition materials.

Sustainability Update

The FOOD WASTE Recycling Program and YOU!

The California Senate passed a bill to **improve air quality and reduce greenhouse gas emissions**. CalRecycle reports that landfilled organic waste (including green waste and food waste) decomposes in landfills and generates greenhouse gases contributing to global climate change. All California residents may be required to participate in a Food Waste Recycling Program in order to comply with **Senate Bill 1383**.

SCAN TO LEARN MORE

Senate Bill 1383 requires a **75% reduction in organic waste disposal statewide by 2025**.

All residences and commercial businesses may be required to participate in this program to **recycle organic waste, including green waste and food waste**.

Stay tuned for more information about when these new programs will start in your neighborhood.

What Can You Do Right Now to Help Reduce Greenhouse Gas Emissions?

Tips and tricks to help prevent creating green waste and food waste:

- Grasscycling- learn more at CalRecycle.ca.gov/Organics/GrassCycling
- Food Waste prevention tips- learn more at savethefood.com

Additional steps you can take to manage your green waste and food waste:

- Taking green waste and food waste to nearby community composting sites
- At-home composting. Did you know that the San Bernardino County Solid Waste Management Division (SWMD) sells backyard compost bins at a reduced rate to unincorporated County residents? Contact the SWMD Main line at (909) 386-8701 for more information.

Top 5 Items to Keep OUT of the Recycling Container

Here are the 5 top items that should never be placed in the recycling container:

1. **No Garden Hoses**. Despite being made from rubber, vinyl or a combination of both, this item still belongs in the trash container.
2. **No Diapers**. Diapers should be placed in your trash container.
3. **No Hazardous Waste**. This means no paint, motor oil, batteries, syringes, needles, etc. Hazardous wastes place our facility staff at risk. Do not place it into the trash container either. Contact the San Bernardino County Fire Department Household Hazardous Waste at 1-800-OILY-CAT to locate your nearest collection center.
4. **No Pet Food Bags**. The wax coating prevents the bags from breaking down in the recycling process, so pet food bags go into the trash container.
5. **No Electronic Waste**. These items are best recycled through a proper e-recycler.

Temporary Containers for Special Clean-Ups Available

Burrtec offers large and small containers for residential clean-ups and special projects. Containers are available for 7-day rentals and include delivery and removal. All unwanted materials can be placed directly into the container with the exception of hazardous waste, tires or large amounts of dirt, rock, concrete, or asphalt. Please call our Customer Service Department to order one today!
