Holiday Schedule

No service on these holidays

Memorial Day | Independence Day

Labor Day | Thanksgiving Day

Christmas Day | New Year's Day

When the holiday falls on a weekday, collections for the remainder of the week will be delayed by one day. There is no service interruption or delay when the holiday falls on a Saturday or Sunday.

Tear off here, save and place on your fridge!

SENATE BILL 1383

The California Senate passed a bill requiring a **75% reduction in organic waste disposal by 2025**. All residences and commercial businesses are required to **recycle organic waste, including food waste**.

Organic waste decomposes in a landfill releasing a significant amount of **greenhouse gas emissions** that, according to CalRecycle, contribute to public health and safety concerns such as **asthma, global climate change, extreme weather, and natural disasters**. By **composting organic waste**, instead of sending it to landfills, we can **close the loop** while creating a **nutrient-rich soil amendment** that's ready for use in farms and gardens.

TIPS TO PREVENT FOOD WASTE AT HOME

- **Plan ahead:** Before you go to the grocery store or order out, check the fridge and pantry for food items that need to be cooked or that you already have and do not need to purchase.
- **Serve smart:** Aim to cook and serve the right portions for the number of people you are feeding.
- **Store food wisely:** Different foods require different conditions.
- **Check your fridge often:** Keep track of what you have and what needs to be used. Eat or freeze items before you need to throw them away.
- **Use your freezer:** Your freezer can help save food and time.

Your recycling efforts contribute to the reduction of greenhouse gas emissions from landfilled organic waste. This includes methane, a greenhouse gas 80 times more potent than carbon dioxide.

YOUR BARREL GUIDE - WHAT GOES WHERE?

Black Barrel is for trash

Blue Barrel is for recyclables

Green Barrel is for green waste & food waste

REMINDER!

Bag your food waste and place in your green barrel!

DO NOT ADD HAZARDOUS WASTE
