Using a Fresh Tree or Wreath this Holiday Season?

Give them new life by recycling them through one of the two options below after the holiday season.

- Place trees curbside and they will be collected on your regular collection day.
- Multi-family communities should place trees next to your designated trash enclosure.
- Wreaths can be placed inside the green, organics bin.

Fresh trees and wreaths can be dropped off in the designated bins at any of the following locations:

Newhall Community Center 22421 Market Street
Central Park 27150 Bouquet Canyon Road
Canyon Country Community Center 18410 Sierra Highway

This program is available December 26, 2025 through January 10, 2026.

Please remove lights, tinsel, ornaments and stands. Cut trees larger than 6-feet in half when possible. Flocked trees will be collected and disposed of as trash; they cannot be recycled.

For more information, contact Burrtec at (661) 222-2249.

Collection Day Reminder

On collection day, please place your garbage, organics and recycling carts in the street, at the curb or near the corner of your driveway. **DO NOT place carts on the curb or sidewalk.** Carts should have the handles facing towards your home and placed one foot apart from each other. Carts need to be placed at least three feet away from any obstruction such as a fence, mailbox or vehicle. **To ensure your service is not missed, all carts must be curbside by 6:00 a.m. on your service day.**

Pre-Pay Discount

Burrtec will provide a one-month discount to the total annual bill for all **single-family customers** that pre-pay their bill on an annual basis. Pay eleven (11) months before January 31st and receive the 12th month free!

Holiday Schedule

Please note that services are interrupted on the following holidays:

Memorial Day
Thanksgiving Day

Independence Day
Christmas Day

Labor Day
New Year's Day

When the holiday falls on a weekday, collections for the remainder of the week will be delayed by one day. There is no service interruption or delay when the holiday falls on a Saturday or Sunday.

Free Bulky Item Collection

Santa Clarita residents with active trash service receive up to four (4) free bulky item pick-ups per year, with three (3) items per pick-up. Please contact Burrtec Customer Service at (661) 222-2249 at least 48 hours in advance of your regular service day to schedule a bulky item pick-up. Electronic waste, or E-waste, can be recycled through bulky item drop-off, mobile collection event or SAFE Collection Center.

Acceptable items include: furniture, appliances and mattresses. For the health and safety of our drivers, we ask that all mattresses be wrapped in plastic.

Non-acceptable items include: hazardous waste, machinery and industrial discards, electronic waste, oil, grease and other liquids, construction and demolition debris or excessively large items.

Did You Know?

Household Hazardous Waste (HHW) includes items like paint, pesticides and electronic waste. There are many other household items that may seem non-toxic but are very harmful to the environment if not disposed of properly. Items like pool chemicals, household cleaners, automotive fluids, medication and needles, beauty products, batteries and compact fluorescent light bulbs are all considered HHW items.

You can check the calendar and events section on GreenSantaClarita.com for updates on the next HHW and E-waste collection event or visit the Los Angeles County website, 888CleanLA.com or call toll free at 1(888) CLEAN LA for additional information. There are two permanent collection centers near Santa Clarita to dispose of your Hazardous Waste and E-waste year-round on Saturdays and Sundays:

11025 Randall St
Sun Valley, CA 91352

10241 N Balboa Blvd
Northridge, CA 91325

No Fats, Oils and Grease (FOG) Down the Drain

Santa Clarita is leading the way to a healthy, sustainable and waste-free future by encouraging the proper disposal of fats, oils and grease (FOG), in an effort to avoid washing them down the drain. Visit Los Angeles County's website at www.888cleanla.com or call toll free at 1(888) CLEAN LA for additional information for proper disposal.
