Temporary Bin Containers For Special Clean-Ups

Yucaipa Disposal offers temporary bin containers for residential clean-ups and special projects. Containers are available for 21-day rentals and include delivery and removal. All unwanted materials can be placed directly into the container with the exception of hazardous waste, tires or large amounts of dirt, rock, concrete, or asphalt. Please call our Customer Service Department to order one today!

Extra Holiday Waste

Yucaipa Disposal will collect your excess holiday trash and recyclables following the day after Christmas. You may place excess holiday trash/ recyclables in bags alongside your containers on your scheduled collection day.

The Holidays Are Soon Approaching

Yucaipa Disposal will collect and recycle Christmas trees from single-family residences. Please place your tree at the curbside on your collection day after Christmas. Services will be available for approximately two weeks following Christmas Day. Please remove all ornaments, lights, and metal stands from the tree. Trees that are six feet tall or taller must be cut in half. Flocked trees will not be recycled and will be collected as trash. Please note that your tree may be collected at a different time or by a different vehicle than your regularly scheduled collection service.

No proof of residency required.

TIPS TO PREVENT FOOD WASTE AT HOME

- **Plan ahead:** Before you go to the grocery store or order out, check the fridge and pantry for food items that need to be cooked or that you already have and do not need to purchase.
- **Serve smart:** Aim to cook and serve the right portions for the number of people you are feeding.
- **Store food wisely:** Different foods require different conditions.
- **Check your fridge often:** Keep track of what you have and what needs to be used. Eat or freeze items before you need to throw them away.
- **Use your freezer:** Your freezer can help save food and time.
