

# Collection Information

**Large or Bulky Items** Yucaipa Disposal offers curbside bulky item pickups during the 2nd week of February, May, August and November. Residents may schedule up to four pickups per calendar year, limit of five items per pickup. Computer monitors and televisions will also be collected as part of the bulky item program. Prior to disposing of large appliances, remove doors and/or hinges on all large appliances to prevent entrance and entrapment by small children. Large/bulky items are collected by a separate truck, not with your regular trash, and includes furniture, appliances, mattresses, etc.

**Christmas Trees** We will collect your Christmas trees placed at the curb on your scheduled collection day beginning December 26th and will continue for approximately two weeks. Trees longer than 6' must be cut in half. Please remove ornaments, tinsel, and stands before placing at curbside.

**Pull-Out Service** Pull out service for barrels at no additional charge is available for the elderly or disabled. Others may also subscribe to this service for an additional cost. For more information, please call our Customer Service department.

**Rent-a-Bin** A three cubic yard "rent-a-bin" is available for residential clean-up and special projects. Larger bins are also available. Please call for service information and rates.

**Holiday Schedule** Yucaipa Disposal observes the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. If the holiday falls on a weekday, services will be delayed by one day for that week only. Your regular schedule will resume the following week. There is no interruption in service if the holiday is on Saturday or Sunday.

**Community Clean Up Events** Community cleanup events will be available to all residents at no additional cost. Look for upcoming event details and dates on the City of Yucaipa website [www.yucaipa.org](http://www.yucaipa.org).

**Used Motor Oil Recycling** Yucaipa Disposal will collect and recycle residential used motor oil and filters at curbside. Please call our Customer Service department for more details.

## Horse and Livestock Waste

For those residents with horses or livestock, Yucaipa Disposal provides a 60-gallon automated container for livestock waste. These barrels are available at a nominal charge. Place a newspaper or paper bag at the bottom of the barrel to keep the material from sticking. Yucaipa Disposal will collect the waste on your regular collection day.

## Household Hazardous Waste Disposal

Residents can safely dispose of unused household cleaners, batteries, paints, used motor oil, and electronics with the County of San Bernardino's Household Hazardous Waste Collection Program. The service is free, but proof of residency in San Bernardino County is required. Business waste is not accepted. Please call (800) 645-9228 for a complete list of acceptable items, transportation guidelines, and emergency closure notices.

## Residential Trash and Recycling Collection Programs

**FOR THE CITY OF  
YUCAIPA**

# It's as Easy as...

## Trash & Recyclables Collection Program

The residential automated solid waste collection program provided for the City of Yucaipa is designed to efficiently collect trash, recyclables, and green waste. Your support and participation in this program are appreciated.

**Residential Service** Residents receive one time per week collection of trash, recyclables and green waste. Residential service is **mandatory** and based on single-family home waste generation. Service fees are billed on your annual property tax bill. Low volume trash generators can benefit from a smaller 15 gallon trash barrel and reduced solid waste and recycling charges.

**Additional Barrels** Extra trash, recycling and green waste barrels are available for an additional monthly fee.

**Collection Day** Please place barrels at curbside the night before or no later than 6:00 a.m. on the day of collection. Place your barrels near the corner of your driveway, in the street, at curbside with the handles facing your home. The barrels must be placed at least three feet away from any obstruction such as a vehicle, fence, lamp post, power pole or mail box and one foot between other barrels. Trash not at curbside at time of collection will be collected the following week. As a courtesy to your neighbor, promptly remove carts after service.

**CAUTION** Please keep children from playing near barrels at all times.

**Tan/Black barrel is for Trash**

Your 15, 30 or 60 gallon **TAN/BLACK** barrel is for trash collection. Do not place trash in the Blue Recycling or Green Waste barrel; it will not be collected. Extra barrels may be ordered by calling Yucaipa Disposal's Customer Service Department. Additional monthly fees will apply. If your barrel is damaged it will be repaired or replaced at no charge. Residents are responsible for those barrels damaged due to customer negligence or abuse.

### DO NOT Place the following materials in your barrels...

- |   |   |
|---|---|
| • Automotive batteries  | • Hot ashes                                 |
| • Batteries   | • Infectious waste (including used needles) |
| • Electronic Waste (electronics such as computers, TV's, cell phones, microwave ovens, etc) | • Machinery                                 |
| • Fluorescent bulbs   | • Oil                                       |
| • Hazardous Waste (products labeled toxic, poison, corrosive, flammable, or irritant)       | • Paint                                     |
|   | • Pesticides                                |
|   | • Sharps (syringes)                         |
|   | • Tires                                     |

Call Yucaipa Disposal's Customer Service Department at (909) 797-9125 or call the County of San Bernardino at (800) 645-9228 for hazardous waste disposal information.

**Blue barrel is for Recyclables**

Your 90 gallon **BLUE** barrel is for recyclable materials (please see the list below of acceptable items). Extra recycling barrels are available upon request for an additional monthly fee per barrel.

### Recyclable items include...

- |                        |                                 |
|------------------------|---------------------------------|
| • Aluminum cans        | • Mixed paper                   |
| • Aluminum foil        | • Newspaper                     |
| • Brochures            | • Paper tubes                   |
| • Computer paper       | • Phone books                   |
| • Cardboard            | • #1 – #7 Plastic containers    |
| • Catalogs             | • Plastic soda or water bottles |
| • Glass bottles & jars | • Styrofoam                     |
| • Junk mail            | • Tissue boxes                  |
| • Magazines            | • Used envelopes                |

**PLEASE do not put trash into the Blue or Green barrel.**

Periodically we update the list of what is an acceptable recyclable item. However, just because an item is not on the list doesn't mean it's not recyclable! Give us a call and we will check it out!

**Green barrel is for Green Waste**

Your 60 or 90 gallon **GREEN** barrel is to be used for green waste material (please see the list of acceptable items). Green waste is recycled into compost and mulch. Extra green waste barrels are available upon request for an additional monthly fee per barrel.

### DO NOT USE PLASTIC OR PAPER BAGS FOR GREEN WASTE

All materials must be placed within the barrel provided. Additional green waste may be set out for collection in standard 32 gallon customer-owned barrels. Green waste may also be tied in bundles no larger than 4ft. in length and 2ft. in diameter, and less than 65 lbs.

### Green Waste items include...

- |                           |                                |
|---------------------------|--------------------------------|
| • Brush & shrub trimmings | • Tree trimmings and clippings |
| • Grass clippings         | • Twigs & small branches       |
| • Prunings                | • Weeds & leaves               |

### Non-acceptable materials...

- |                           |               |
|---------------------------|---------------|
| • Animal waste            | • Dirt & rock |
| • Bird of Paradise plants | • Food waste  |
| • Concrete                | • Palm fronds |
| • Cactus plants           | • Trash       |
