

MANDATORY ORGANICS LEGISLATION

The California State Legislature approved Assembly Bill 1826 (AB 1826) which sets forth statewide mandatory commercial organic waste recycling. The requirements to comply were recently adjusted to include all businesses generating 2 cubic yards or more of solid waste per week and multifamily customers with 5 units or more that generate 2 cubic yards of solid waste per week must arrange for organic recycling services. Organic waste is food waste, landscape and pruning waste, and nonhazardous wood waste.

The State requires that applicable business generators:

- Separate organic waste from other waste and participate in a waste recycling service that includes collection and recycling of organic waste, or:
- Recycle its organic waste on site, or self-haul its organic waste off-site for recycling, or:
- Donate edible food waste to an eligible food rescue organization.

Please note: businesses should check with the City of Rancho Cucamonga for self-haul and on site recycling requirements.

Call our Customer Service office to schedule a complimentary waste, recycling, and organics assessment. To report your compliance visit Burrtec.com/rancho-cucamonga and complete the digital compliance form. We appreciate your cooperation in this matter. Call Burrtec Customer Service at (909) 987-3717 to request a waste assessment or if you have any questions.

ORGANICS RECYCLING

Recycling of organics, such as landscape waste and food waste, is mandatory for businesses in accordance with California Assembly Bill 1826 (AB 1826). Landscape waste and food waste must be handled and stored separately from trash and other recyclables to avoid contamination.

Landscape Waste

Landscape waste/green waste services are available to all commercial customers in the City of Rancho Cucamonga.

Acceptable Landscape Waste

Grass clippings	Brush & shrub trimmings
Tree trimmings	Twig & small branches
Weeds & leaves	

Non-acceptable Landscape Waste

Dirt & rock	Plastic bags
Concrete	Palm fronds
Cactus	Bird of Paradise plants

Food Waste

A variety of food waste collection service levels are available to commercial and industrial customers in the City of Rancho Cucamonga.

Acceptable Food Waste

Dairy products	Seafood
Fruits & vegetables	Poultry
Plant trimmings	Food soiled paper products
Coffee grounds	
Breads and grains	

Non-acceptable Materials

Plastic products	Styrofoam
Glass products	Non-biodegradable materials
Metal products	

MANDATED RECYCLING

One outstanding feature of Burrtec's commitment to the City of Rancho Cucamonga is recycling collection at no additional charge. Our recycling team is eager to help implement successful recycling programs that are customized to suit the needs of your business. A specialist will visit your business to gain an understanding of operations and to identify any items for recycling. After the site visit, a program is designed to help reduce costs and increase recycling.

California Assembly Bill 341 (AB341) includes a mandatory commercial recycling component in the effort to save landfill space and reduce greenhouse gas emissions. All businesses with four or more yards of collection service (per week) will be required to establish and maintain recycling service.

DO NOT mix trash or hazardous waste with recyclable materials. Contaminated materials can often prevent recyclables from being reclaimed. Please recycle responsibly.

Recyclable items include...

Aluminum cans	Milk/juice cartons
Aluminum foil	Newspaper
Brochures	Paper tubes
Catalogs	Phone books
Cardboard	#1 – #7 Plastic containers
Cartons	Plastic soda or water bottles
Computer paper	Styrofoam
Glass bottles & jars	Tissue boxes
Junk mail	Used envelopes
Magazines	
Mixed paper	

DO NOT Place the Following in Trash or Recycling Bins...

Chemicals	Paint
Computer monitors	Pesticides
Fluorescent bulbs	Oil
Machinery	Televisions

*For disposal of hazardous waste, please contact a commercial hazardous waste disposal company.
