

**MANDATORY SOLID WASTE COLLECTION SERVICE
2023 FEE WAIVER PROGRAM OVERVIEW**

Residential Solid Waste Collection Service is Mandatory in designated unincorporated areas of San Bernardino County. Customers are invoiced for services quarterly based on the minimum service requirement or their service level selection. Customers whose homes are vacant or have infrequent use may apply for a Fee Waiver. Fee Waivers are granted one time per year for qualified months in the prior year where a household is at or below a six (6.00) Kilowatt Hour (KwH) daily average of electrical use for any given month requested.

Customers that have met the requirements of the Fee Waiver Program will receive a credit or refund equal to fees paid for qualified months. Customers may not qualify for the Fee Waiver Program during any month the customer utilizes the Clean Mountain Sites or curbside waste/recycling collections programs.

In order to receive credit or refund consideration for the previous year's qualified months, the Fee Waiver Application must be completed and sent to Mountain Disposal. Once the Fee Waiver Application is received, a non-refundable Application Fee of \$30.90 will be assessed to the account requesting the Fee Waiver and the application will be processed. The Application Fee will be assessed whether the Fee Waiver Application is approved or not.

Requirements For Fee Waiver Requests:

1. Completed Fee Waiver Application Form.
2. Submittal of qualified monthly electric bills (showing the service address) for **each** month being considered (electric bills from the prior calendar year that show an average daily use of 6.00 kwh or less for each qualifying month). Statement of Accounts from the power company will not be accepted. The usage graph from one month will not be accepted as verification for any other months.
3. Account requesting a Fee Waiver shall be current, with no past due balance, as of December 31, 2023, and no portion of this account has gone to lien during 2023. Accounts with delinquent balances that have been placed on the tax rolls do not qualify for the fee waiver.
4. Customer affirms by their signature on the Fee Waiver Application that there was no use of the Clean Mountain Sites or curbside waste/recycling collections programs during the requested Fee Waiver month(s).
5. The Fee Waiver Application review period is January 1, 2024 through February 29, 2024 for the 2023 calendar year for credit or refund requests. Fee Waiver Applications must be received or postmarked **no earlier than January 1, 2024 and no later than February 29, 2024.**
6. Customer may only apply for the Fee Waiver Program for the prior calendar years' service (January-December).
7. Short-Term Rental properties are not eligible to participate in the Fee Waiver Program.
