

COLLECTION PROGRAM

Residential Service

Collection service consists of automated collection of household trash, recyclables and organic waste one time per week.

Additional Barrels

Additional trash, recycling and organic waste barrels are available for an additional monthly fee. If your barrel is damaged it will be repaired or replaced at no charge. Residents are responsible for those barrels damaged due to customer negligence or abuse.

On Collection Day

Place your barrels near the corner of your driveway, in the street, at curbside with the handles facing your home the night before or no later than 6:00 a.m. on the day of

collection. The barrels must be placed at least three feet away from any obstruction such as a vehicle, fence, lamp post, power pole or mail box and one foot between other barrels.

Temporary Containers

Burrtec offers a three cubic yard "rent-a-bin" for residential clean-up and special projects. Larger bins are also available. Please call for service information and rates.

Roll-Out Service

This service is available to all residents for an additional monthly fee. Residents who are frail and/or physically unable to take their barrels to the curb may receive this service at no additional charge. Please call for service information.

Bulky Items

Burrtec provides four residential large or bulky item curbside collections during a 12-month period at no extra charge (maximum of 5 items per collection). Please call at least 24 hours in advance to schedule your bulky item pick up. Large or bulky items include: scrap metal, wood, old appliances, furniture, televisions, computer monitors, refrigerator or freezer, tied & bundled tree branches, mattresses, etc. Please place items out the night before or no later than 6:00 a.m. on the day of collection.

Mandatory Solid Waste Service & Payment

Solid waste collection service and payment for solid waste collection service is mandatory for every occupied residential, commercial and industrial property per the Rancho Cucamonga Municipal Code. Solid waste accounts that are 60 or more days past due shall constitute a lien against the property for which the solid waste collection services were provided and shall include the delinquent amount plus administrative fees.

FOOD WASTE RECYCLING

California's Climate Food Fight

Organic waste decomposes in a landfill releasing a significant amount of greenhouse gas emissions that contribute to public health and safety concerns such as asthma, global climate change, extreme weather, and natural disasters. By composting organic waste, instead of sending it to landfills, we can close the loop while creating a nutrient-rich soil amendment that's ready for use in farms and gardens.

Food Waste Recycling

California passed a law, Senate Bill 1383, to improve air quality by reducing greenhouse gas emissions from organic waste disposal such as food waste and landscape waste. CalRecycle reports that landfilled organic waste (including food waste) decomposes in landfills and generates greenhouse gases contributing to global climate change. Reducing methane gas through actions like organic waste recycling will reduce emissions and the impacts of climate change. To comply with this mandate, communities are required to have a Food Waste Recycling Program for residential customers. For more information, please visit: www.calrecycle.ca.gov/climate/slcp

RECYCLE YOUR FOOD BY FOLLOWING THESE STEPS:

1. Collect food waste in a plastic bag and separate it from your other waste and recycling.
2. Secure the plastic bag by tying it off. We encourage you to reuse plastic bags you may already have; they will be sorted and removed prior to processing.
3. Place your secured bagged food waste inside your green organics barrel, along with your other loose green waste.

Your recycling efforts contribute to the reduction of greenhouse gas emissions from landfilled organic waste. This includes methane, a greenhouse gas 80 times more potent than carbon dioxide.

TIPS TO PREVENT FOOD WASTE AT HOME

- Plan ahead: Before you go to the grocery store or order out, check the fridge and pantry for food items that need to be cooked or that you already have and do not need to purchase.
- Serve smart: Aim to cook and serve the right portions for the number of people you are feeding.
- Store food wisely: Different foods require different conditions.
- Check your fridge often: Keep track of what you have and what needs to be used. Eat or freeze items before you need to throw them away.
- Use your freezer: Your freezer can help save food and time.

What is Considered Food Waste?

Food waste includes: fruits, vegetables, meats, seafood, bread, dairy, eggshells, coffee, plate scrapings, peels, rinds, food-soiled paper, moldy food, and expired food.

What's NOT Allowed in your Green Organics Barrel?

Unacceptable items include: trash, styrofoam, liquids, glass, batteries, metal, diapers, pet waste, electronic waste, recyclables, and hazardous waste.

WATCH OUR VIDEO ON FOOD WASTE RECYCLING:

HOUSEHOLD HAZARDOUS WASTE

Residents can safely dispose of unused household cleaners, paints, used motor oil, and electronics at the City's Household Hazardous Waste Facility. The service is free, but proof of residency in San Bernardino County is required. Business waste and Sharps are not accepted. Please scan the QR code, visit www.cityofrc.us, or call the Environmental Programs Info Line at (909) 919-2635 for location information, hours of operation, complete list of acceptable items, transportation guidelines and holiday closure information.

Hazardous Materials Warning!

Please do not expose your trash collector or landfill to dangers such as: EXPLOSIVES, LIQUIDS THAT ARE TOXIC, HIGHLY FLAMMABLE OR RADIOACTIVE, OR ANY OTHER HAZARDOUS MATERIALS INCLUDING PAINT, PESTICIDES, BATTERIES and CLEANERS. DO NOT place these items in your barrel. Please visit the City's website www.cityofrc.us or call the Environmental Programs Info Line at (909) 919-2635 for proper disposal information.

It's as easy as 1-2-3!

1. KEEP products in original containers or properly labeled with a sealed lid.
2. SECURE products so they won't spill or leak during transport.
3. TAKE them to your nearest collection center.

Home Generated Sharps

It is illegal to dispose of SHARPS in barrels meant for trash, recycling or organics. It is also illegal to transport sharps in non-sharps approved containers. Please visit MED-Project.org or scan the QR code for a free sharps mail-back package or call the Environmental Programs Info Line at (909) 919-2635 for proper disposal information.

"We'll Take Care Of It."

OTHER INFORMATION

Holiday Tree Collection

We will collect your Christmas trees placed at the curb on your regularly scheduled collection day beginning December 26th and will continue for two weeks following Christmas on your regular collection day. Trees longer than 6' must be cut in half. Please remove ornaments, tinsel, and stands before placing at curbside.

Holiday Schedule

Burrtec observes the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. If the holiday falls on a weekday, services will be delayed by one day for that week only. Your regular schedule will resume the following week. There is no interruption in service if the holiday falls on a Saturday or Sunday.

Senior Discount

If you are a senior who is 60 years of age or older, you could be eligible for a senior discount. Please contact our Customer Service Department for additional information.

Kids Corner

The Kids Corner on our website is a special spot dedicated to our youngest fans! Visit and download fun activity sheets such as word searches, coloring pages, line matching and more. Kids can test their recycling knowledge and learn a little something too.

Visit: burrtec.com/kids-corner to explore the Kids Corner.

Stay in Touch

Visit our website for updates, to pay your bill, request services, and more! Navigate to: <https://www.burrtec.com/city/service-location/rancho-cucamonga/> or visit our main page: Burrtec.com

Questions?

Please call Burrtec Customer Service Department, between 8:00 a.m. and 5:00 p.m. Monday through Friday at (909) 987-3717.
