

# CITY OF BRADBURY STREET SWEEPING PROGRAM

Burrtec provides street sweeping services twice a month in order to assist the City of Bradbury in maintaining clean streets and improving the environment. Please see the current street sweeping schedule map to identify the areas swept.

On street sweeping day, please remember to move all vehicles parked on the street to allow the sweeper access to the curb and gutters. Please ensure the street is clear of obstructions, such as basketball hoops, vehicles, and low hanging tree branches. It is also important to inform any service providers at your home or business (such as gardeners or pool cleaners) about the street sweeping schedule and remind them not to park on the street.

If you have any questions, please contact Burrtec at (800) 325-9417.  
We are available Monday – Friday, 8:00 am to 5:00 pm.
